- 2005 "Pick, Shovel, Wedge, And Sledge:" A Historical Context For Evaluating Coal Mining Resources In Illinois. Springfield: Fever River Research.

Mansberger, Floyd, Christopher Stratton, and Heather Stanley

- 2003 Illinois Historic American Engineering Documentation: Kathleen Mine Tipple (IL HAER No. JA-2003-1). Prepared for the Illinois Department of Natural Resources and the Illinois Historic Preservation Agency. Springfield: Fever River Research.

Stratton, Christopher

- 2000a Archaeological Survey Short Report: Phase I Archaeological Survey of the Clay Mine 2000 Grant Project. Prepared for the Illinois Department of Natural Resources. Springfield: Fever River Research.
- 2000b Archaeological Survey Short Report on the Mohn's Mine 2000 Grant Project (11P534). Prepared for the Illinois Department of Natural Resources. Springfield: Fever River Research.
- 2001 National Register of Historic Places Assessment of the Mohn's Mine Site (11P534), Bartonville, Peoria County, Illinois. Springfield: Fever River Research.

- 2002a Illinois Department of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: U.S. Fuel Company, Bunsenville Mine, Bunsenville, Illinois. Springfield: Fever River Research.
- 2002b Illinois Department of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: The Cherry Mine (St. Paul Coal Company No. 2), Cherry, Illinois. Springfield: Fever River Research.
- 2002c Illinois Department of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Galatia Coal Company Mine No. 5, Galatia, Saline County. Springfield: Fever River Research.
- 2002d Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: The Hoosier Mine (Madison Coal Corporation, Mine No. 5) Mount Olive, Illinois. Springfield: Fever River Research.
- 2002e Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Southern Coal, Coke, And Mining Company Coal Washer, East St. Louis, Illinois. Springfield: Fever River Research.
- 2003a Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: The Shiloh Mine (Lenz Coal And Mining Company No. 2/ Southern Coal, Coke, And Mining Company No. 8), Shiloh Station, Saint Clair County, Illinois. Springfield: Fever River Research.
- 2003b Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Worden Coal Company Mine No. 1, Worden, Madison County, Illinois. Springfield: Fever River Research.
- 2004 Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Crescent Coal Company Mine No. 2 (Groveland Coal Company Mine No. 2) Creve Coeur, Tazewell County, Illinois. Springfield: Fever River Research.
- 2006 Tilten Mine Site Assessment, Rural Randolph County, Illinois. Springfield: Fever River Research.

Stratton, Christopher and Floyd Mansberger

- 2005a Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Ruby Mine Site (11S1644), Saint Clair County, Illinois. Springfield: Fever River Research.
- 2005b Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Taylor No. 5 Mine Site (11Fk215) (Franklin County Coal Corporation No. Mine), Freeman Spur, Franklin County, Illinois. Springfield: Fever River Research.
- 2005 Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Bell And Zoller Mine No. 2 Site (11Fk216) Zeigler, Franklin County, Illinois. Springfield: Fever River Research.
- 2006 Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Jefferson No. 20 Mine Site (11Jn334) (The Nason Mine) Nason, Jefferson County, Illinois. Springfield: Fever River Research.

Stratton, Christopher, Floyd Mansberger, and Heather Stanley

- 2002 Illinois Historic American Engineering Record Documentation: Cherry Mine Fan House, IL HAER No. BU-2002-2. Prepared for the Illinois Department of Natural Resources and the Illinois Historic Preservation Agency. Springfield: Fever River Research.

Stratton, Christopher, James Yingst, and Floyd Mansberger

- 2006 Illinois Department Of Natural Resources Cultural Resource Management Program Abandoned Mined Lands Reclamation Cultural Resources Evaluation: Bobby Dick Mine Site (11Wm351) (Pond Creek / Freeman No. 1 Mine) Rural Williamson County, Illinois. Springfield: Fever River Research.

Yingst, James

- 2005 Miscellaneous Documentary Research on the Hepworth Mine, Rural Aley, Scott County, Illinois. Springfield: Fever River Research.
- 2006 Viola Mine Archival Research, Rural Mercer County, Illinois. Springfield: Fever River Research.
- 2006 Miscellaneous Documentary Research on the Helpworth Mine, Rural Aley, Scott County, Illinois. Springfield: Fever River Research.

Yingst, James, and Floyd Mansberger

2005 Illinois Department Of Natural Resources Cultural Resource Management
Program Abandoned Mined Lands Reclamation Cultural Resources
Evaluation: Young Shaft Site (11Ms2183) Rural Madison County,
Illinois. Springfield: Fever River Research.

Yingst, James, and Christopher Stratton

2006 Illinois Department Of Natural Resources Cultural Resource Management
Program Abandoned Mined Lands Reclamation Cultural Resources
Evaluation: Manhattan Mine (11T541) (Manhattan Coal Company) East
Peoria, Tazewell County, Illinois. Springfield: Fever River Research.
